

Dear Parents/Carers

Thanks once again for all your support for CwR. I wish you all a good half term break. I hope that you will have some time to spend together as families.

We have had a really good first half of the Spring Term. Much has been achieved as we have continued to develop our curriculum and work on some key areas for improvement. We have had several visits from other Pathfinder Heads and schools in the past few weeks and these have all been positive. Visiting teachers always comment on how amazed they are with the way the open design just works and how well the children are able to focus on their learning.

Parent View

As you will know, we are in an Ofsted window as a school and they could visit at any time. We have been busy making sure we are fully prepared for this visit.

The views of parents and carers are a very important part of the evidence the inspection team will gather when they do come. They do this through the Ofsted Parent View website. We have only 49 responses from parents and carers to date, and we would really like more!

I have attached to this newsletter a document which will help you to complete the survey. Please log on and share your views as they are very important to us. It only takes a few minutes to complete the questions and give your responses, once you have created a login.

Pupil News

We have some very talented young sports stars at CwR. Katie Robertson, currently in Y5H, has come first in the whole country in British Cycling Under 9 girls National Roller Championships! As well as this, she is the second best All Rounder cyclist in the country! What a fantastic achievement!

Another of our pupils, Grace White in Y5M , has recently won a national competition run by Barratt Homes to design a wildlife area, winning £500 for the school to spend on our Forest and wildlife area! Well done Grace! This will enable us to develop our outdoor learning for the benefit of the whole school.

Finally, a few pictures showing what has been happening this half term at CwR!

Best wishes

Andy Herbert
Headteacher
