

Dear Parents/carers,

Another lovely week in LKS2. We have now completed our start of year assessments in Maths and Reading and the children were extremely focussed.

Reminders for this week:

- PE will be on **Monday and Tuesday**. Earrings need to be removed before school if children can't do this independently.
- **Homework** will be sent home on Google Classroom. All the children are aware of their log on details and have practised logging on at school. If there are any issues please let us know. The work needs to be completed online before the following **Thursday**. Please speak to your child's teacher if you are unable to access Google Classroom at home. Children who don't have time to complete this at home will have the opportunity to do it on Friday lunchtimes.
- At the moment we are unable to have a Reading Record that goes home as usual. On Google Classroom you will find an online reading record your child can complete each week with their **home reading**. These will be checked on **Friday**.
- Over the next few weeks **spelling** lists will be coming home, again via Google Classroom. There will be opportunity to practise these words at school and at home, as well as using Spelling Shed online. Log on details below.
- This week **Year 3** have a Stone Age workshop on **Wednesday**. Year 4 will have their workshop the following week.
- This week Y4H say farewell to Miss Harver who is leaving to have a baby and welcome Mr Screeton who has been teaching Y4H on Mondays and now takes over full time.

Our learning includes:

English: Setting Descriptions based on our class book The Wild Way Home.

Reading: Key reading skills (inference, retrieval, prediction and summarising)

Maths: Place value

History: Research in to the Stone Age settlement of Skara Brae.

Science: Year 3: forces and magnets; Year 4: electricity

Kind regards

The LKS2 team
