

25th September 2020

Dear Parent/Guardian,

As part of our Stone Age topic this term, History to Life will be coming to school to visit Year 3 on Wednesday 30th September and Year 4 on Wednesday 7th October to run a whole day workshop.

During the workshop the children will get the opportunity to explore some Stone Age artefacts, learn about Stone Age defences and learn about their houses and how people lived.

The cost of the workshop is £3.62 per child and will be paid for from Enrichment contributions collected last year. As you are aware we were not able to take part in all of the enrichment activities in 2019/2020 and there is a credit of £18.50 per year 3 child and £7 per Year 4 child to be carried forward to this current school year.

Thank you for your continued support
