

FS Newsletter - Week commencing 16th October 2020

FS1

Phonics

In FS1 this week we will be making some shakers using different materials. The children will be given a choice of rice, lentils, pasta etc and will talk about the sound that it makes. You could have a go at making your own musical instrument at home - a shaker or another kind of instrument using recycled materials and share them with us on Tapestry.

Maths

In maths we will focus on the number 1 and we will use Ten Town. We will create a number 1 poster. At home you could explore number one on Ten Town too and play the games and complete the activities.

Topic

Our topic work continues to be about dinosaurs. We will hatch more eggs and find out about the dinosaurs that we hatch. We will create a giant picture during forest school and care for the plants that we planted.

Thank you to everyone who joined our zoom meeting on Tuesday and the lovely feedback we received.

FS2

Phonics

In Phonics next week we are learning 'u', 'r', 'h', and 'b'. We will be reading and writing words and captions with these sounds in.

Maths

In maths we will be looking at adding three small numbers and we will be looking at 1p and 2p and £1 and £2 coins. We will also be continuing to practise repeating patterns. It would be great if you could have a look at some coins at home with your child.

Topic

Next week in Topic we will be looking autumn and seasonal changes. Our book of the week will be Hog the Hedge.

Thank you to everyone who joined our zoom meeting on Monday and for all the lovely feedback.

Events:

Just a reminder that next week we are celebrating Harvest Festival. From **Monday 19th October until Wednesday 21st October** there will be boxes available at the front of the school building for you to place your donations. Please can we ask that no fresh produce is sent in, only **in date** tinned and/or packet food.

Thank you for your support.
