

FS Newsletter

11th December 2020

Christmas is nearly here! FS1 will be a haven of Christmas activities next week as we keep an eye on the elves, play Christmas games and have lots of fun!

We will be using Makaton to sign lots of Christmas songs, practising for a little performance we will upload on Dojo.

The children will be making a snowman biscuit and getting a message and gift from Father Christmas! Wednesday is Christmas Jumper Day and the children will be enjoying Christmas lunch.

We are looking forward to a fun last week!

FS2

Hello everyone! First of all, we would just like to say a huge thank you for all your support towards our Nativity. The children worked so hard and we can't wait for you to see it.

In order to keep everyone safe before Christmas, we have decided to put our classes into separate bubbles. The environment may look a little different but we will still be doing lots of fun things! Here is the rundown of what will be happening on each day:

Monday

FS2S to go down to the forest to see the Winter Wonderland.

Tuesday

Christmas Craft day - the children will make 3 different crafts to bring home! It is a very exciting and busy day.

Wednesday

Christmas Jumper and Christmas Dinner Day - Children can come to school in optional Christmas Jumper over their uniform. There is also a Christmas dinner at lunch time.

Thursday

CWR at the Movies! - We will be watching a The Grinch (the new animated film) which is rated a U.

Friday

Carols over zoom - Usually on the last day we have carols around the tree with the whole school! However, with the current situation we have had to slightly adapt this! It will be very exciting for the children to see each other over zoom. One of our FS2 Nativity songs will be played for everyone to hear.

We are looking forward to a fun last week! We will keep you posted with pictures on dojo!

RSE

Next week we are learning about standing up for ourselves. We will be looking at words to help us stand up for ourselves and what to do if we don't like what someone has said to us.

Have a lovely weekend everyone!

FS Team
