

FS Newsletter

Week commencing 15th March 2021

FS1

It was so lovely for Miss Swales and I to be back in FS1 this week, we have missed all the children. They have really grown in independence and we can see lots of progression.

Phonics

Next week we will continue to practise our rhyming skills, playing games such as bingo and matching pairs. We will look at the use of rhyme in 'The Gingerbread man', joining in with repeated refrains.

Maths

The children will be consolidating the number nine on Ten Town, playing games to practise counting, writing and recognising the number. We will look at identifying one more and one less than a number.

Topic

Our topic next week will involve looking at the lifecycle of a frog. We will sequence the different stages of development and go on a frog hunt in the forest!

RSE

We will be talking about the importance of washing our hands and keeping clean. The children will practise giving instructions to remind us how to wash our hands properly.

FS2

We have had a fabulous week back at school and it has been lovely to see all those smiley faces walking back through our doors.

Phonics

We have now taught all the Phase 3 digraphs and trigraphs we will now be recapping Phase 3 for all children alongside teaching Phase 4 to the children who have achieved most of Phase 3. The sounds we will be recapping are qu, ch, th, ng and sh.

Maths

Next week, the children will be looking at solving problems. We will be watching the Numberblocks Episode - The Legend of Big Tum. We will be looking at

missing numbers from a number line and solving addition and subtraction number problems!

Topic

Next week in topic, we're going to have a look at life cycles including: caterpillars, chicks and frogs! We also have some caterpillars in school and can't wait to see how they grow!

RSE

Next week, we will be having a look at how to help ourselves go to sleep and why sleep is good for us.

Just a note, we will start forest school next week and here are your class days:

FS2R - Monday

FS2B - Wednesday

FS2S - Friday

Have a lovely weekend everyone.

FS Team
