

FS Newsletter

Week Commencing 21st June 2021

FS1

We are eagerly following the progress of our caterpillar friends as they have made their way to the top of the pot. They are certainly very big now after eating all of that food! We'll keep you posted.

Phonics

In phonics we will be working on our oral blending and segmenting - listening as a grown-up sounds out the word and blending those sounds together, as well as trying to sound the words out ourselves. We will play games such as 'cross the river' and of course Metal Mike will need feeding.

Maths

In maths we will think about positional language as the Snail and the Whale travel around the world. We will also revise all of our numbers up to 10.

Topic

This week we will be reading 'The Snail and the Whale'. We will look at world maps and think about where we live. We will also make a home for snails and see if we can find any in the forest. Fingers crossed for just a little bit of rain.

RSE

In circle time we will think about what we can do now that we couldn't do as babies.

FS2

Phonics

We are continuing to ensure all children have a good knowledge of phase 3 phonics and moving onto phase 4. Some children are also going to be focusing on two syllable words and writing tricky words.

Please keep up the reading practising at home. If you need any books on book club just drop your teacher a message and we'll get that done for you.

Maths

In maths next week, we will be looking at missing numbers, this will be in ordering and also in some addition and subtraction!

Topic

We are going to have a look at healthy and unhealthy foods. We will be discussing what foods are good for us and what foods we should have in moderation. During the week, we will be drawing a healthy lunch box and labelling it. You might like to have a little look at some healthy and unhealthy foods at home!

RSE

Next week, we will be looking at growing up and how we grow from babies to adults. We will be ordering pictures to show how this happens.

Have a great weekend everyone!

FS2 Team
