

20<sup>th</sup> September 2021

Dear Parents/Guardians,

Our whole school topic this term is Magic and Mayhem. In Foundation Stage 2 we will be following this but we will be splitting it into related sub-topics. These first three weeks we have been learning about ourselves and our families. We will then start learning about Castles. We will be reading stories about Kings, Queens, Princes, Princesses, Knights and dragons. We will learn a little about what castles were like in the past.

To start this topic we will have a themed day on **Monday 27<sup>th</sup> September**. We would like to ask all the FS2 children to come to school dressed up as Princes, Kings, Princesses, Queens, knights, dragons (or something else related). We will also do lots of castle related activities during the day such as making crowns and shields.

The dressing up will be fun but not compulsory. Children are also fine to come in school uniform as we will have some dressing up things at school. Also be aware that the children will still be painting, sticking and going outside to play so please don't send your child in an outfit that is too precious to get dirty.

Thank you for your support

Foundation Stage staff
