Dear Parents/Guardians,

To celebrate the festival of Diwali, the FS children will be taking part in an Indian Dance workshop on Monday 8th November. The cost of this will be £3.00 per child, which will be used from the enrichment contributions.

This is an Enrichment event and we will be sending out further information to parents regarding payment after half term.

Education Group company will be teaching each learning group a short Indian dance throughout the day.

Thank you

FS2 Team
