

Dear Parents and Carers

Thanks for your support for Children in Need today. The children have enjoyed wearing spotty non-uniform and the School Council organised a bake sale at the end of the school day. I will update you on the total raised next week.

Open Morning

We had a fantastic Open Morning last Saturday and there were over 50 families attending during the morning which was great. This was a really good opportunity to showcase the school with new parents and carers.

The children who came in were amazing and led tours of the school and ran activities in each phase which the families with young children enjoyed. It was a brilliant morning and thanks to all the children and staff who gave up part of their weekend to help with this important event.

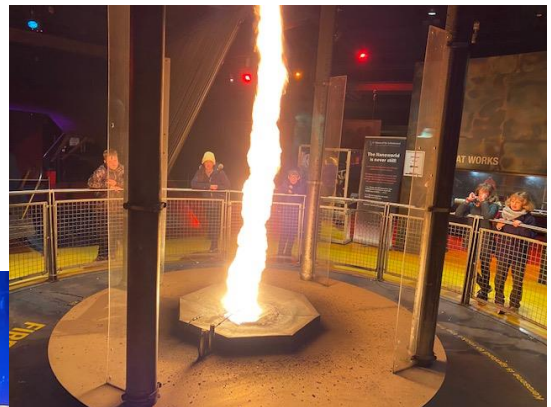

We had a lovely time showing our school to visitors!

Reminder about Hairstyles

It is perhaps a good moment to remind parents and carers about the expectations we have in school for the children's hairstyles. We do not permit shaved hair or patterns in hair like tramlines, nor should children come to school with dyed hair. We also ask that they do not reflect extremes of fashion. We really appreciate your support with this.

Y5/6 Visits to Magna

This week, the children in Year 5 and Year 6 have been to visit Magna Science Museum in Rotherham. These visits supported work across the curriculum, but especially in Science. Mr Mitchell, our Science Leader in school, organised these trips and was really pleased with the engagement of all the children in the Air, Earth, Fire and Water experiences. They had a fantastic time taking part in all of the hands-on experiments available to them while exploring the site and learning about its history.

And finally...

Please look out for the usual Phase Newsletters which will be coming out today. We will be getting ready for Christmas on Friday 26th November and there will be another non-uniform day to help with that. A separate letter coming today will give you all the information about next Friday.

If you haven't yet paid for the Santa visit, please do so by Monday 22nd November. This will be the final opportunity.

Many thanks and have a good weekend.

Andy Herbert
