

16th November 2021

Year 5 & 6 Christmas Fair enterprise project

Dear Pupil

Are you imaginative and needing a project? Do you love the idea of running your own business one day? Do you have great ideas and want to be part of a great team? Then this exciting project is for you!

As part of our Christmas Fair, we are inviting Year 5 and 6 pupils to take part in a one-off apprentice project, which will centre round designing a product for our Christmas fair. We are looking for pupils to design, manufacture, market, finance and sell the product for the Christmas fair. Teams of pupils will compete to create the 'best' product which makes the biggest profit. There will be a prize for the winning team.

This is a unique opportunity to try something a little bit different and raise a HUGE amount of money, which will go towards projects within school as well as supporting local charities.

Teams can consist of up to 4 pupils and parental help is allowed. You will have a start budget of £10 which will be paid back from your profit.

If you would like to be involved in this enterprise project, please apply by completing the form attached and return it by Friday 19th November.

All applicants **MUST** attend a meeting on Tuesday 23rd November 2021 at 12.30pm (you will need a band for early lunch).

I will be overseeing the project, so if you do have any questions please don't hesitate to ask.

Thank you for your interest,

Mrs Wright
