

26th November 2021

Dear Parent / Guardian

SWIMMING LESSONS

Swimming sessions for children in Y4EC (Miss Cashmore) will commence on **Monday 6th December 2021** at Archbishop Holgate Swimming Pool and will continue each Monday for eleven weeks ending on **14th March 2022**. The sessions will be run by qualified swimming instructors, and will form part of "Games" as a requirement of the health and fitness curriculum.

I am sure you appreciate that we find it difficult to cover the entire cost from the funds available to us, so may I therefore ask if you would be willing to make a voluntary contribution of **£16.50** towards the transport costs. Payment can be made via your ParentPay account. If you have any difficulty accessing your account please contact the school office, 01904 806530.

It is a rule of the swimming pool that all children who have long hair (approaching shoulder length) should tie it back in a hair band. We also ask that the children do not use aerosols, talc or shampoo.

Please find attached a full list of equipment needed, everything else is supplied for us. Goggles are optional however they remain the responsibility of the child. Nose plugs, arm bands etc are not needed.

When you log into your ParentPay account you will be asked to give your consent for your child to participate in swimming lessons and some additional information. Please can we ask that this is completed by **Friday 3rd December 2021**. We must receive permission before children are able to participate.

Children's ability will be assessed during their first session and they will be then placed in the appropriate group, however to aid with placing children in provisional groups for the first session please indicate their level of current ability on the ParentPay form.

If you have any queries with regard to this, please feel able to contact the school.

Yours sincerely

Mrs Gill Johnson
School Business Manager
