Dear Mrs Wright

Harvest Produce - 2021

May I take this opportunity to express our sincere appreciation to the school for donating the non-perishable harvest produce to The Salvation Army.

We are really grateful for the support of the school in helping us to help families who continue to struggle to provide for their families. As well as meeting urgent calls for food parcels, your donated food will be used to provide additional food support to families over the Christmas period. The social workers who refer families and who actually deliver the food to the families concerned, always feedback on how appreciative the families are for the food received.

Thank you again for your continuing support of The Salvation Army's work, especially at Christmas. Your thoughtfulness and generosity is deeply appreciated. Please do convey our thanks to everyone who has helped to support a family this Christmas.

With my best wishes.

Yours sincerely

Andrew Dunkinson
