

30th November 2021

Dear Parents/Guardians,

This December we are supporting Yorwaste's **Re-Use Santa Appeal**. This is a charitable campaign to collect **pre-loved** toys, games, books and puzzles for young people across North Yorkshire who might otherwise not receive a gift this Christmas.

Not only will this help to make Christmas easier for many families, it will also support the environment by encouraging a 'Reduce, Re-use, Recycle' mindset. In 2020 the Re-use Santa Appeal donations of unwanted toys helped over 2000 children across North Yorkshire who would've otherwise gone without a Christmas present. This year we want to help them to match, or better, last year's incredible success by collecting at least 10 tonnes of toys!

We need your help to collect **pre-loved toys/books/games and puzzles in the best possible condition**, with no missing parts and in full working order.

We will be accepting donations each morning from Wednesday 1st December until Friday 10th December. Please leave your donations on the trolleys outside the school entrance.

We hope that you agree this is an amazing charity, and that you will join in with supporting us and helping our environment too!

Many thanks for your continued support,

Clifton with Rawcliffe School Council
