

24th May 2022

It's Competition Time!

Dear Parents, Carers and Children,

To celebrate the Queen's Jubilee, we are asking the children, of Clifton with Rawcliffe, to design and make a Jubilee Crown. So get your creative minds working. Come up with an elaborate design fit for a Queen or King. They can be made out of any materials you would like but they need to be fit for purpose.

The best and most creative crowns will win a rosette and will be worn by the Kings and Queens chosen for the day's celebrations. There will be 6 winners - 2 crowns will be chosen from each of these phases KS1, LKS2 and UKS2.

Entries will need to be brought into school on Monday 6th June by 9am so that they can be judged and presented to the Kings and Queens for them to wear for the day. Please bring your creations to the school hall to be judged.

Happy Crafting.

CWR Jubilee Committee
