

FS Newsletter

Week commencing 16th May 2022

FS1

We will be organising some 'stay and play' sessions for week beginning the 23rd May. Please keep a look out for further information on ClassDojo about this.

Phonics

In phonics we will continue to work on our blending skills. We will feed a very hungry Metal Mike and we will play games such a cross the river as we blend sounds in words together. This skill is crucial for early reading.

Topic

Our topic work this week will involve thinking about different countries around the world. We will think about sports such as football and tennis and how lots of countries around the world take part in competitions. We will also read 'The Snail and the Whale' and think about the travels that they go on together.

Maths

In maths the children will record the scores in our penalty shoot-out. They will think about who has scored more and who has scored less. We will also use language to sequence our story. First, next and finally...

PSHE

We will be thinking this week about resolving disputes between friends. We will think about what we do if someone is unkind to us.

FS2

Phonics

We will be continuing to revise Phase 3 sounds and look at Phase 4 words. Phase 4 words are longer words so cvcc, ccvc etc (c-consonant, v-vowel). We will be practising writing and spelling the Tricky words.

Topic and English

We will be reading Whatever Next, next week. We will be retelling the story and acting it out using props. Your child might want to have a go at this at home. If they do we would love to see photos on Tapestry.

In the story the bear goes to the moon, we will also be talking about where we might like to go and how we would get there.

Maths

In maths we will be having a go with the rekenreks from Year 1. These are like small abacuses. We will practise subitising and practising our number bonds using them. We will also be singing rhymes that include subtraction and writing down the number sentences to go with them.

RE

We will be continuing to look at belonging and how Christians welcome people into the church and faith with baptism and Christening. This will lead nicely into our church visit the following Monday.

PSHE

Next week we will be looking at ways to solve friendship problems.

We are running short of boxes, carton, tubes etc for our making area. If you have any could you please send them into school. We cannot accept toilet rolls or egg boxes but would love some wrapping paper tubes, kitchen roll tubes, pringle tubes, odds and ends of wrapping paper, yoghurt pots and small boxes.

Events:

Thursday 19th May - Special Lunch Day. We do hope that as many children as possible are able to join our special Hot Dog lunch.

Just a reminder that we are running a tuck shop at the end of each school day, until half term, to help raise funds for our Jubilee Day on 6th June.

Thank you!

FS Team
