

13th May 2022

Dear Parents/Carers,

FS1 - Stay & Play Sessions

We would like to invite you to come and have a play in FS1 for the final hour of our day. We will sit down for a Phonics lesson and show you how we blend our sounds together. You will then have the chance to explore all of the Areas of Provision with your child before home time. Children who have parents attending that day will be able to leave with their parents at the end of the session. Sessions will run every day in the week beginning 23rd May from 2pm until home time.

We ask that no more than two grown-ups (per child) attend the sessions across the week. It may be that a child has two adults in attendance on the same day or that one attends one day and another on another day. We understand that it may be difficult for some parents to come along due to work commitments and hope that one of the days will suit everyone. Grandparents, aunts and uncles are welcome to come along if parents are not able to.

We will leave a sheet out in FS1 all of next week for people to write down their names for the session that they wish to attend.

We look forward to seeing you all in a couple of weeks.

Laura Swales, Helen See and the FS1 Team
