Dear Parents / Carers

Change to Enrichment Programme

Many of you will be aware that we usually ask for payments annually, in advance, to put towards enrichment events in school.

Previously, one of the reasons for this was to help reduce the amount of administration of collecting individual payments each time we had a trip or event in, or out, of school. We also feel that in this current climate it may be more difficult to find a larger sum of money all in one go. The costs for trips and transport have recently risen and we would have needed to substantially raise the cost of Enrichment contributions this year.

With the introduction of our ParentPay system this is now a very quick and easy way of paying for all trips, events and meals in school.

We are therefore moving to a new system for Enrichment and will be setting up each individual trip or event, as it happens, with a payment page on your account. You will then be able to login, make payment and give permission including any additional information we may need from you.

We will still endeavour to keep costs as low as possible and will continue to give all children a wide variety of exciting educational experiences over the year.

Before each planned event we will send you a letter via ParentPay to inform you of the cost and include details of the activity. Please ensure that you have activated your ParentPay account to ensure that you receive all communications from school.

If you are having difficulty with your ParentPay account or require activation details resending please contact the school office, admin@cwr.pmat.academy 01904 806530.

Thank you for your support

Andy Herbert
