

Key Stage 1 - Weekly News, w/c 12.9.22

Year 1

In Maths, we will be finding one more and one less than numbers up to 20.

In English, we will be reading Room on the Broom and writing some simple captions.

In Science we will be naming and comparing animals.

Year 2

In English, we will be launching our new book Room on the Broom with a wonderful WOW session. We will be learning parts of the book using Talk for Writing and describing what we can see.

In Maths, we will be continuing to work on our place value using lots of concrete resources and different representations for similar numbers. We will be using place value charts to partition numbers into tens and ones.

In Science we will be continuing to talk about the seven life processes for living things and investigating animals and their habitats.

This half term in PSHE our theme is 'Being me in our world.'

Please note that Thursdays are PE days for KS1. Please send your child into school in their PE kit for the day. Forest kits will still need to be in school.

Please remember that children should not bring in any extra items from home such as pencil cases, toys, notebooks and other accessories.

Best wishes

Key Stage 1 team
