

October Half Term Activities 2022

Monday 26 th October	Monstrous Mask Making	We start the week off making some monstrous disguises! One of the oldest Halloween traditions, people would make frightening disguises in order to keep away the spirits who they believed roamed the earth on Halloween night!
Tuesday 27 th October	Halloween Trip to Spilmans Farm. (extra cost)	We will be going on a spooky trip to Spilman's farm. Each child will receive a free pumpkin. We will be carving these whilst we are out for the day. We will also be doing some spooky crafts, blasting out corn from the corn cannon and going on a spooky walk.
Wednesday 28 th October	Spooky Sweet Treats	Today we make a host of yummy, sweet treats ready for the big day! Feel free to bring your baking aprons, it's bound to get messy!
Thursday 29 th October	Goblin Ball	Calling all witches, ghouls, goblins and monsters- it's party time! Join us in your best Halloween finery (and your masks if you made one on Monday!) for a day of games, fun and food at our Great Goblin Ball! We also have a DJ coming from 12-2.
Friday 30 th October	Witches magic	Double, double toil and trouble, fire burn and cauldron bubble! A day of witchy themed fun. Join us as we make potions, spell books and magic wands. Hats are optional!

*Some activities may be swapped dependent on weather!
