

11<sup>th</sup> November 2022

Dear Parents / Carers

We are celebrating "Maths Week England" by taking part in a friendly times tables (and division) competition. The competition runs from 7.30am on Monday 14<sup>th</sup> November to 7.30pm on Wednesday 16<sup>th</sup> November 2022. It's all done online via:

<http://play.ttrockstars.com/>

Children can login using their school login details.

Children can play in any gamemode with every correct answer to a multiplication or division question, earning themselves, their class and the school a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours, subject to a daily 60-minute limit; see below). Winning classes in school and in the competition as a whole will be the ones with the highest average.

To support player wellbeing, there is a daily limit of 60-minutes per player. Once the player goes beyond 60-minutes of play on that day, they will still earn coins but will no longer earn points towards the competition.

In the spirit of the competition, please can we ask that adults do not play on their child's behalf but by all means encourage and support them to the extent that it doesn't cause high stress levels or impact on family plans.

Kind regards

Adam Craske  
Y3 Teacher & Maths Co-ordinator
