

29th March 2023

Dear Parents/Guardians,

FS2 Trip to Askham Bryan Wildlife Park- 12th June 2023

This year the FS2 children will be visiting Askham Bryan Wildlife Park. The children will see a variety of animals and take part in a Minibeast workshop. The children will leave school after registration and return by 3pm to be collected at the usual time of 3.10pm.

What to wear

School uniform with suitable footwear and a light waterproof coat.

What to bring

- A small backpack/rucksack so they can have their hands free and keep their belongings and packed lunch in.
- Lunch- We will be sending lunch order forms home after the Easter holidays. You will be able to order a packed lunch from our school caterers which will be handed out on the morning of the trip. There will also be a section to indicate if you prefer to provide your own pack up for your child.
- A water bottle- Please keep in your child's backpack.

The cost of the trip is **£13.00 per child**. Unfortunately without parental support we are unable to fund enrichment trips from school funds. Previous events this year were only financially supported by approximately 60% of our Foundation Stage parents, therefore school fund had to make up the considerable difference. Please note that the trip will not be able to go ahead without your donations. With this in mind we are asking for all payments to be made, via your ParentPay account, by **Thursday 20th April 2023** which also includes permission for your child to attend. We will then be able to make the final decision if we can go ahead. If the trip is cancelled all payments will be refunded.

We may have some spaces available for parents to join us on our school trip, please tick the box on the ParentPay form to indicate that you can help. We will send a confirmation letter to parents to inform them if they have/haven't a place on the bus as soon as we know if the trip can go ahead. Please be aware that the school policy is for parents to lead a small group which does not include their own child.

Thank you for your support

FS2 Team
