

# York's Holiday Activities and Food Programme Easter 2023

## What is HAF?

The Holiday Activities and Food Programme (HAF) is holiday provision for school-aged children from reception to year 11 who receive benefits-related free school meals. These holiday activities are available during the Easter, Summer, and Christmas school holidays and include a nutritious meal along with a variety of enriching activities. Following on the success of the Christmas programme, please find information on the HAF programme activities available this Easter. You can find all of this information and updates on [www.yor-ok.org.uk/haf](http://www.yor-ok.org.uk/haf) . Please contact HAF coordinator Shelby Graham with any queries.

## Feedback from previous sessions:

'It's impossible for me to study and look after them at the same time. This has been ideal: we turn up, drop the kids off, they love it, and are always happy when we pick them up.' – *Rachel, single parent of Mini Athletics participant*

'I have so much fun at this camp. At first, I didn't want to wake up early, but then I was so excited to get to hang out with my friends everyday and play fun games.' – *Aidan, participant at Healthy Me*

'I always assumed museums were boring until we took a drawing trip to Bar Convent. It was actually really cool! After that, we had a very tasty lunch and played some fun games.' – *Hailey, participant at New Visuality*

These are just a few examples of how big of an impact the HAF programme has on our communities. A huge thank you to our providers and all the hard work they put into amazing activities!
