

FS Newsletter

Week commencing 1st May 2023

FS1

Next week we will be making some wheeled vehicles as part of our transport topic. If you have any boxes, such as cereal boxes that you can bring in, that would be fabulous! Brownie points for anyone who turns theirs inside out and sticks it back together with masking tape so that we have a blank canvas.

Phonics

Next week we will play games such as 'Cross the River' as the children listen to words being sound talked in a robot voice 'you can cross the river if you have a m-a-n'

Topic

We will read the book 'Are we nearly there yet?' about two children going on a journey to visit their grandma. Their journey encounters lots of delays and they use their imaginations to explain why.

Maths

In Maths we will work on the concept of one less. We will sing songs such as 5 currant buns as the children count backwards.

PSHE

We will help Jigsaw Jenie to understand how she can be a good friend to others, just like we are.

FS2

The children have had a great week tasting some different fruits during our topic lessons. They have settled back in to school really well after the Easter break. Just a reminder next week it is our stay and plays. The dates for each class are:

2nd May- FS2HB

3rd May- FS2EB

4th May- FS2BR

Phonics

In Phonics, we will continue to review phase 3 sounds and recapping the tricky words we have learnt so far.

Maths

In maths we will be learning about subtraction.

Topic

In Topic next week we will be looking at African animals and comparing them to animals in the United Kingdom.

RE

In RE we will be learning about Christianity and listening to the story of Jesus blessing the children. We will be thinking about what the story tells us about Jesus and children. We watch these video clips.

https://www.youtube.com/watch?v=KZW6g_uUu8

The following week we will be looking at Christenings and baptisms. If you have any photos or videos of your children or friends being Christened or baptised we would love to see them on Tapestry.

PSHE

We will be focussing on relationships- making friends. The focus will be on how we can solve problems with friends so that we can stay friends with each other.

Reminder - Monday 1st May is a Bank Holiday and school will be closed.

Thank you for your ongoing support.
