

FS Newsletter

Week Commencing 5th June 2023

FS1

We have all been enjoying the lovely sunny weather, remembering to wear sunhats and drinking plenty of water. Thank you for continuing to bring in named sun cream. Fingers crossed the good weather remains for Half Term.

Phonics

After Half Term we will be focusing on identifying rhyming words and counting syllables in words.

Topic

We will be starting our 'Traditional Tales' focus, looking at the story of Cinderella. The children will act out the story and have a go at writing their name on an invitation.

Maths

In Maths we will be looking at 3D shapes, describing them and finding examples in our environment.

PSHE

We will help Jigsaw Jenie to name key parts of our body, starting our theme 'Changing me.'

FS2

We have made it to the end of Summer 1 and the weather is finally starting to warm up! We have had a really successful half term and the children continue to progress. We have really enjoyed the drama workshops this week and learning all about traditional tales and we are all now ready for a rest! We hope you have a lovely half term.

Phonics

In Phonics after half term we will be continuing to review Phase 3 and Phase 4 sounds and tricky words. We will continue to encourage the children to write sentences using capital letters, finger spaces and full stops.

Maths

After half term we will be focussing on odd and even numbers and composition of numbers to 10.

Topic

Our new topic theme will be 'Minibeasts' and looking at facts about them.

PSHE

We will be starting a new theme called 'Changing me'. The first session will be naming different body parts and labelling them using their phonics knowledge.

Events**Friday - Class Photos**

Thank you for your ongoing support.
