

FS Newsletter

Week Commencing 19th June 2023

FS1

Next week we are excited to introduce our 'festival' theme to the children. We will be making our 'cuboid stage', singing, dancing and being creative!

Phonics

We will continue to practise segmenting words into their sounds using our robot voice, e.g h-a-t. The children will be playing 'Cross the River' with stepping stone sounds.

Topic

We are focusing on festivals and holidays next week, thinking about camping and role playing going to an airport. The children will be enjoying sharing their talents on the 'Cuboid Stage!'

Maths

In Maths we will be looking at positional language using key terms such as 'on top, below, next to, underneath' etc. The children will also practise 'subitising' up to 5 which will involve recognising a number of dots without needing to 1:1 count.

PSHE

We will be talking about the changes that have happened to us as we are growing up. What have we learnt to do now that we couldn't do as a baby?

FS2

What a busy week we have had! We all thoroughly enjoyed our school trip and then the children were fantastic on Sports day and then we have had our Last Choir Standing! I think we all need a well-earned rest this weekend!

Phonics

In Phonics we will be continuing to review Phase 3 and Phase 4 sounds and tricky words. We will continue to encourage the children to write sentences using capital letters, finger spaces and full stops.

Maths

We will be learning about number facts including doubles next week.

Topic

We will be learning about how to keep our teeth healthy. We would love to see photos on Tapestry of your child brushing their teeth or at the dentist!

PSHE

The children will be talking about how we all grow from babies to adults and ordering pictures in our lifetime.

Thank you for your ongoing support.
